

IMPORTANT EVENTS for deliverers of the Diploma in SHD

The Diploma Development Partnership for SHD is working in partnership with the Specialist Schools and Academies Trust to ensure that those teaching the Diploma in SHD have the knowledge and skills to ensure effective and engaging teaching and learning.

We know that teachers need practical solutions for use in delivery of the Diploma – these one day interactive events have been designed in response to requests from providers. There will be a series of workshops, group sessions and other activities.

Workshops on offer

- **Inside the Diploma**
